

Whether you're planning a corporate event, holiday or theme party, gala or a lavish wedding and reception, the Kovens Conference Center, with its majestic and panoramic views overlooking Biscayne Bay, transforms any event into a special occasion.

Kovens by the Bay at Florida International University with its majestic and panoramic views overlooking Biscayne Bay transforms every event into a memorable occasion. Kovens offers an ideal location for ceremonies and cocktail receptions with its 10,930 square foot terrace. The 5,508 square foot ballroom features floor to ceiling windows overlooking the terrace and bay. Guests are continuously amazed by the serene environment and private location at Kovens by the Bay.

The Experience

Our experienced staff will work with you to coordinate the details of your most memorable occasion and will be dedicated to your event on the special day. All of our preferred vendors have developed discounted packages especially for Kovens by the Bay clients. We are happy to share these packages with you upon a site visit.

We have carefully selected our culinary team with the expectation of creating exceptional cuisine and delivering unsurpassed service at affordable prices. With a fabulous culinary choice of seasonal specialties and traditional favorites, you can choose from a variety of menu options with both plated and buffet service. Customized menus and packages are always available upon request. Beverage service is available through our culinary team.

With our meticulous attention to detail, we have mastered the art of service and the fine art of dining.

Call today to schedule a site visit or to inquire about packages.
